

Volunteer with Path to Greatness for our upcoming

Earth Day River Cleanup 2019

Volunteers will meet at the Oxon Hill Farm parking lot, then take a wagon ride down to the Oxon Hill Cove to collect the litter that accumulates along the Potomac River. Kids, 6 and up, are welcomed.

There's too much litter polluting our beautiful waterways, harming wildlife and our environment. On Sunday, April 28, join our Earth Day volunteers and let's DO something about it! We'll clear a ton of trash from our Potomac River in a show of love for our precious earth!

Dress for the weather and wear closed toe shoes!

Each volunteer will be provided access to trash collection bags, gloves, pickers, sunblock, insect spray and bottled water.
